

IRELAND'S AUTISM CHARITY

Santa Claus

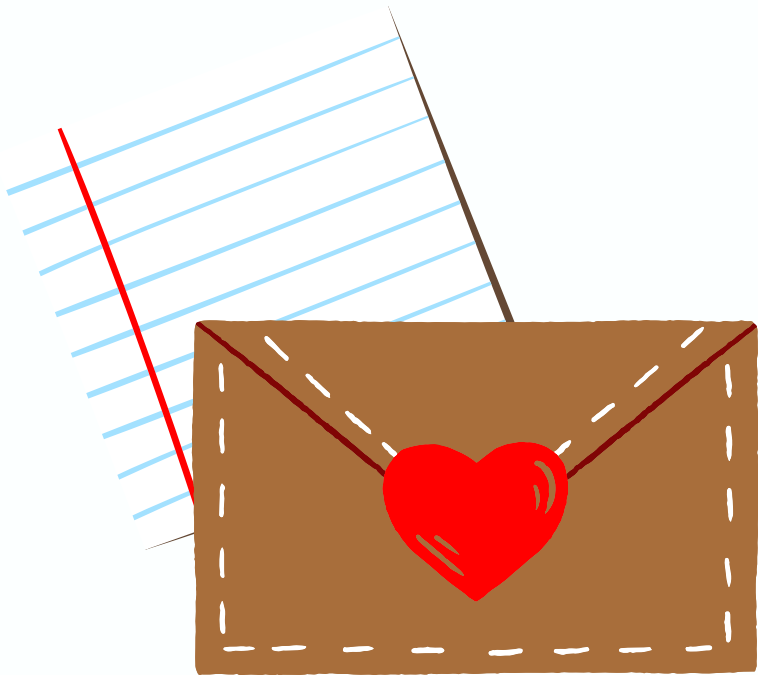

This is **Santa**. He is nice & jolly.

Santa lives at the top of the world in a place called The North Pole.

Santa lives with **Mrs. Claus** and the Reindeers.

Santa reads the **letters** that children send to him. He makes a **list** of what they want.

Santa gives the list to the **Elves** in his **Workshop**.

The Elves use the list and **make the toys and gifts** that are on the Christmas list.

When all the **toys and gifts are ready**, the
Elves load them on to Santa's Sleigh.

On December 24th Christmas Eve, Santa leaves the North Pole on his Sleigh and **delivers all the toys and gifts** to children all over the world.
